RE: Delarge Zone, Reservoir A
Lake Boudreaux Field
Terrebonne Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **PETROQUEST ENERGY, L.L.C.** for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters in the Delarge Zone, Reservoir A, Lake Boudreaux Field, Terrebonne Parish, Louisiana, to-wit:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate, to be designated DELARGE RA SUA;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit, with each tract sharing in unit production on a surface acreage basis of participation;

3. To designate PetroQuest Energy, L.L.C. as the unit operator for the proposed unit;
4. To designate a unit well for the proposed unit;
5. To provide that the Commissioner of Conservation should be authorized to reclassify the Delarge Zone, Reservoir A, by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and,
6. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Delarge Zone in the Lake Boudreaux Field, Terrebonne Parish, Louisiana, is hereby defined as that gas and condensate bearing sand encountered between the depths of 12,783 feet and 13,976 feet (electric log measurements) in the Quintana Petroleum Corp. - St. Martin Land Company No. 1 Well, located in Section 25, Township 19 South, Range 18 East, Terrebonne Parish, Louisiana.

The pre-application conference tentatively scheduled for January 8, 2003, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, by contacting W.H. Robbins & Associates, 140 Rue Beauregard, Suite 100, Lafayette, Louisiana 70508, (337)232-5004.

There is attached hereto and made a part hereof a plat outlining the proposed unit and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it.
